

## Purpleleaf.io EULA

IN CONSIDERATION OF the provisions contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, the parties agree as follows:

Under this Agreement the Vendor grants to the Licensee a non-exclusive and non-transferable license (the "License") to use the PurpleLeaf platform (the "Platform").

"Platform" includes the executable computer programs and any related printed, electronic and online documentation and any other files that may accompany the product.

Title, copyright, intellectual property rights and distribution rights of the Platform remain exclusively with the Vendor. Intellectual property rights include the look and feel of the Platform. This Agreement constitutes a license for use only and is not in any way a transfer of ownership rights to the Platform.

The rights and obligations of this Agreement are personal rights granted to the Licensee only. The Licensee may not transfer or assign any of the rights or obligations granted under this Agreement to any other person or legal entity. The Licensee may not make available the Platform for use by one or more third parties.

The Platform may not be modified, reverse-engineered, or de-compiled in any manner through current or future available technologies.

The Platform may only be used for its intended purpose of assessing Licensee technology assets. Attempts to direct assessment behavior against assets which are not owned by Licensee will be considered a breach of this agreement.

Security testing of the Platform is not permitted without prior consent and coordination with the Vendor.

Failure to comply with any of the terms under the License section will be considered a material breach of this Agreement.

### Limitation of Liability

The Platform is provided by the Vendor and accepted by the Licensee "as is". Liability of the Vendor will be limited to a maximum of the original purchase price of the Platform. The Vendor will not be liable for any general, special, incidental or consequential damages including, but not limited to, loss of production, loss of profits, loss of revenue, loss of data, or any other business or economic disadvantage suffered by the Licensee arising out of the use or failure to use the Platform.

The Vendor makes no warranty expressed or implied regarding the fitness of the Platform for a particular purpose or that the Platform will be suitable or appropriate for the specific requirements of the Licensee.

The Vendor does not warrant that use of the Platform will be uninterrupted or error-free. The Licensee accepts that software in general is prone to bugs and flaws within an acceptable level as determined in the industry.

Where the Vendor feels any of the Platform is non-conforming to its specifications, the Vendor may provide a refund to the Licensee.

#### Warrants and Representations

The Vendor warrants and represents that it is the copyright holder of the Platform. The Vendor warrants and represents that granting the license to use this Platform is not in violation of any other agreement, copyright or applicable statute.

All terms, conditions and obligations of this Agreement will be deemed to be accepted by the Licensee ("Acceptance") upon execution of this Agreement.

#### Term

The term of this Agreement will begin on Acceptance and is perpetual.

#### Termination

#### Force Majeure
